OPENING SERVE...

Welcome to your November edition of Club Connection. October has been another busy month on court with many of our Woking and District League teams kicking off their winter seasons with some exciting games played. It is great to see members enjoying a wide range of activities at the Club including coaching, matches, club sessions, the ladder competition, social events and much more besides. If at any time you would like ideas for how you could get even more from your membership, please do not hesitate to be in touch with us at membership@coopershilltennis.co.uk

Following on from the recent Club survey, we can confirm that the Club has placed an order with Trevor May for a number of items requested by members. Over the coming months, coat hooks will be installed on courts, new hooks will be added on Courts 1 and 2 to house the court drag bushes and the broken chainlink fencing above the practice wall will be replaced. A number of other follow up actions from the survey remain under discussion and we look forward to confirming more things we will be implementing over the coming months. Member voice is very important to us, and while we cannot take forward every single idea, we are fully committed to always looking to improve the Club for the benefit of all.

Finally, members may notice that work to update the Club Championships boards in the Clubhouse has started. This is due for completion over the next couple of weeks.
