## OPENING SERVE...

Welcome to the 2026/27 season at Coopers Hill! First of all we would like to say a very heartfelt thank you to everyone who has renewed their membership with us. Your incredible loyalty is what makes our Club so special, and we can't wait to see you again on court this year! We've already had a wave of new members join the Club and extend a very warm welcome to you all! There is so much to get stuck into this season, with endless opportunities to play. Whether you want to compete in one of our 11 teams, climb the ranks in our ladder competition, or enjoy our social Club Sessions, there is something for everyone. From tournaments and events to coaching, we're here to help you make the most of every moment on court. We're also delighted to extend our Open Saturdays through April. It's the perfect time to bring a friend along on any Saturday afternoon in April with no guest fees. We can't wait to see some new faces enjoying our fantastic club alongside you!

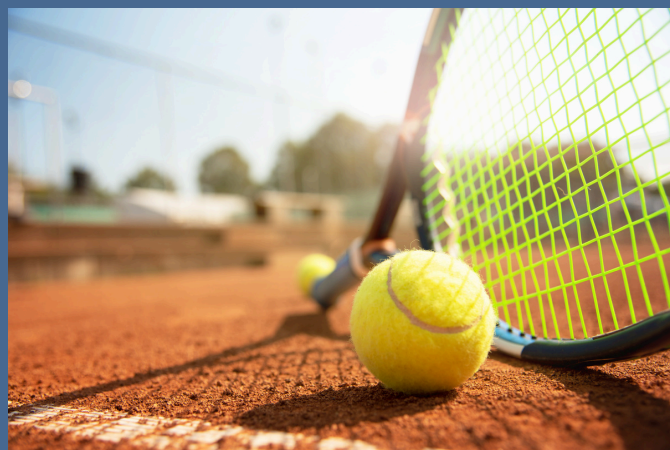

On Saturday 14th March, the club held a cake sale, which included yummy bites such as brownies, muffins, millionaires shortbread, victoria sponge, cookies and more. All the money raised from the cake sale goes to the tennis club and helps to fund projects. A big thank you to everyone that bought a cake and to the members who donated cakes.

# RECYCLING BALLS NEEDED!

A plea to members to empty out those Tennis bags of old Tennis balls and place them in our recycling bin by the Clubhouse! We welcome receipt of any used Tennis balls into this unit which we then send off for recycling- this is both environmentally friendly and raises funds for the Club. During March we sent off 500 balls for recycling and received a tidy sum for these.

# LADDER

We just wanted to remind members that our singles ladder competition continues to run until the end of May, when we will then start our summer ladder. There have been some great matches and we would encourage anyone who enjoys a game of singles to sign up. If you would like to take part, please contact our ladder administrator, Christian for more information.
