OPENING SERVE...

We hope you are all managing to keep cool during this recent spell of warm weather! June has been an incredibly busy month at the club, and we are delighted to share some updates with you all.

First, our junior players recently competed in a fixture against Bishopsgate. The matches were played with wonderful sportsmanship and a positive spirit, with some exceptional tennis on display from both sides. Congratulations to all our juniors who took part!

In terms of facilities, we are pleased to report that Courts 3 and 4 have now been completely cleaned and resanded. These updates should significantly improve the playing surface and provide a much better playing experience for your future games.

We also had some fantastic fundraising success this month. On Saturday 13th June, we hosted a lovely cake sale to celebrate the start of the British grass court season. The event raised £76, which goes directly back into the club to support our activities and improvement plans. A massive thank you to everyone who supported the event by buying treats, and an extra special thank you to those who kindly baked and donated cakes.

Finally, the annual Ladies Midweek League Lunch at St George's Hill was a resounding success, raising an incredible £5,000 for charity. We extend a warm thank you to the non-LMTL ladies from Coopers Hill who joined us to fill our table and made the afternoon so enjoyable for everyone. Our team finished in fourth place in Level 3 with 144 points, which is a great effort.
