OPENING SERVE...

During the wonderful sunshine we have enjoyed in April, the Club has looked absolutely fantastic and we hope you have all enjoyed a great month on court. It has been an incredibly exciting month, with a very well attended Bank Holiday Tournament and we like to place on record our thanks to Tracy and all those who organised this event. In addition, members will have already received communication regarding plans for new LED Floodlighting, with a planning application now submitted. This very much underlines the Club's ambition to deliver the very best facilities for our members and we are always looking for ways to improve our offering. Members may also have seen a new table and chairs arrive on the patio that has been kindly donated to the Club. A big thank you to Jill for organising this and Hilary and Ian for transporting the furniture to the Club. April has also seen the start of the Summer season for our Woking League teams and we would like to commend all of the players and captains for their efforts and some super results. On a more routine matter, the Club's policies have also been recently reviewed and updated and are available for viewing on the Club's website or in the Clubhouse, so please do take a look.

It has been another great month and May is shaping up to be equally exciting. We already have a very healthy turnout for our Babolat Afternoon on Saturday 16th May and we hope to see many more of you joining us for this. Enjoy your May on court!

COMING UP ON COURT...

In collaboration with Babolat, and conveniently scheduled between junior practice and the club session, the event is open to all our members.

We also welcome non-members, so we encourage you to bring your friends and family along for the fun! It's a great opportunity to meet the Babolat team and try out their latest range of equipment.
